"RACING FEVER" ©CL 23906 Release No. 1862.

A Life Cartoon Comedy

Hundreds of citizens in Podunk Center are speeding along the highways. The racing fever seems to be in the air. They are sure of it when all read an extra about the big horse racing meet and decide to attend. Arriving at the race track, Nibbins and pal, his pet dog, decide to rejuvenate a dark horse that is about to die on its feet.

By using a wooden horse with two dogs for motive power and the head of the dark horse, Nibbins makes a horse racing combination that looks like a winner. But the dumb animal starts running in the wrong direction at the outset. Once headed in the right direction, Nibbins' mount easily forges ahead and is about to win when a cat creeps onto the track.

The dogs start after the cat, break up the horse combination and leave Nibs to win with only the neck of the animal left. He beats the others across the line by a neck, but the fake horse is revealed and Nibbins' entry is disqualified.
